- certificate in image annotations

## SKILLS

Proficient in HTML, CSS, JavaScript.  
Very good in React Js  
Ruby On Rails  
Mathematicsl skills  
Critical Thinking

## ADDITIONAL SKILLS

- Excellent communication skills in both English and Swahili, facilitating effective collaboration with diverse teams and seamless client interactions.
- I have a passion for teaching and have utilized my knowledge in Maths and Physics to inspire and educate others, fostering a love for these subjects in students.

## PROFILE INFO

I am a highly skilled and versatile full-stack software developer with a passion for creating innovative solutions. With a strong proficiency in HTML, CSS, JavaScript, and ReactJS for the frontend, and Ruby on Rails for the backend, I have the ability to turn ideas into reality. I bring a unique blend of analytical thinking and problem-solving skills, fueled by my academic background in Mathematics and Physics. Additionally, I have a compassionate and service-oriented nature, demonstrated through my volunteer work with the Kenya Red Cross from 2017 to 2022.

## EXPERIENCE

**STORE COORDINATOR AT SIMBISA BRANDS KENYA LIMITED, 2017(MAY)-2022(NOV)**

- As a Store Coordinator, I was responsible for maintaining the Point of Sale (POS) system, ensuring smooth transactions and accurate record-keeping. I took great pride in reporting any cancelled orders promptly, ensuring customer satisfaction and minimizing inconvenience.
- A key aspect of my role was ensuring that all delivery orders were carefully handled and delivered in impeccable condition. I paid close attention to detail, ensuring that each product was in perfect shape upon arrival, thereby enhancing the customer experience.
- Additionally, I managed daily turnover sales, meticulously tracking sales data and generating reports for management. I consistently strived to provide customers with a positive and memorable experience, establishing rapport and building long-lasting relationships.

## REWARD

- I am also honored to have been awarded the 2nd position in The Green Innovation Competition at Karatina University for my contribution to green energy solutions

## PROJECTS

- Aluminium Fabriactor - <https://henryfabricator.vercel.app/>
- Age calculator - <https://kelvin-ndoma.github.io/age-calculator/>
- PowerLekt App - <https://power-lektsuppliers.vercel.app/>
- personal portfolio - <https://website-react-livid.vercel.app/>

## Conducted the General Census in 2019

As part of a national initiative, I played a crucial role in conducting the General Census in 2019. This experience honed my organizational and data management skills, as well as my ability to work efficiently and accurately under pressure. I effectively collected and analyzed demographic data, contributing to the comprehensive understanding of the population and supporting informed decision-making.

## Volunteer at Kenya Red Cross (2017-2022)

As a volunteer for the Kenya Red Cross for five years, I actively contributed my time and skills to support the organization's mission. During my tenure, I participated in various initiatives and projects aimed at providing assistance during emergencies, community outreach programs, and disaster relief efforts. This experience allowed me to make a positive impact in the lives of those in need and further developed my empathy, teamwork, and problem-solving abilities.
